# ABOUT US

## About Our Company

- Atal Veer Security Services Pvt. Ltd. is committed to providing professional security and housekeeping services to residential societies, offices, and commercial establishments.
- In today's fast-growing environment, maintaining proper security and facility management has become extremely important. Keeping this need in mind, our company provides trained and reliable staff who ensure safety, discipline, and efficient operations.
- Our employees are trained, background verified, and deployed according to industry standards to maintain professionalism and trust.
- All our staff are appointed in compliance with PF, ESI, and other government regulations, ensuring transparency and reliability in our services.
- Our objective is to create safe, secure, and well-managed environments for our clients.

# MISSION & VISION

We are pleased to present our professional security services designed to ensure complete safety, discipline, and reliability. Our trained manpower and strong supervision help us deliver effective and trustworthy protection solutions.

## Quick Response Team (QRT)

Our QRT is trained to handle emergency and high-risk situations with immediate action. We ensure rapid deployment, 24/7 alertness, and efficient handling of fire, theft, and crisis situations.

## Security Supervisor / Head Guard

Our supervisors manage team discipline, oversee patrolling, maintain visitor records, and ensure proper CCTV and equipment monitoring along with emergency coordination.

## Core Responsibilities

Our services include surveillance and monitoring, access control, rule enforcement, emergency response, and daily reporting to maintain a safe environment. Patrolling System. We conduct regular foot and mobile patrolling to monitor buildings, parking areas, and detect any suspicious activities.

## Armed Security

We provide licensed and trained armed guards for VIP protection and high-value asset security, ensuring immediate action in critical situations.

## Training & Qualification

Minimum Qualification: 10th Pass & Above  
30 Days Intensive Training, Physical & discipline training, Fire safety & emergency drills  
Communication skills

## Fire & Emergency Handling

We not only provide fire safety training but also arrange proper fire training sessions for our guards. Our team is pre-trained and well-prepared for handling fire and emergency situations, and we ensure that guards are already instructed and aware of how to respond effectively in such scenarios.

## Our Strength

Highly trained staff, fast response system, 24/7 monitoring, professional supervision, and reliable service.

**We don't just provide guards – we deliver complete security solutions.**

**Looking forward to working with you.  
Thank you.**

## OUR SERVICES
